

The Magic of Colors

Satosh Bears understand all languages thanks to their magic powers! However, Spanish is the official language in El Salvador, the country where ELiS comes from. Today, she wants you to paint with her and, to teach you some words in **Spanish**. Ready?

ELiS loves flowers! She always wears a beautiful wreath of colorful flowers on her head. In a tropical place like El Salvador, there are all kinds of plants with amazing colors. ELiS' favorites are:

- ♥ **Azul** (say it like "AH-sool"), which means **blue**.
- ♥ **Amarillo** (say it like "ah-mah-RI-yo"), which means **yellow**.
- ♥ **Anaranjado** (say it like "ah-nah-ran-HA-do"), which means **orange**.

Write the names of the colors in Spanish next to the pictures of a flower you choose.

Color each flower with the matching color.

Good luck and enjoy!
